A Note from your Editor

Hello

And welcome to the Christmas Double issue of the Village Venture!

It has been quite challenging to get this issue edited and distributed in time, but I hope you will receive it no later than the 3rd December.

A warm welcome to two new advertisers in this issue. On page 4 - **L.F. Connell & Son**, who are able to pass on any unwanted furniture and home accessories to the poor and needy and on page 21 **Stephanie Milner** who can provide an independent cleaning service to private households and offices.

On behalf of everyone here at your Village Venture, may I wish you a Very Happy & Healthy Christmas and a Fantastic New Year!!!

If the Venture is ever in the unfortunate position of having to stop printing again, please look for the online issue on these three websites.

Glentworth Parish Council round up

The past year has been a challenging and certainly very different one for the Parish Council, but also a period when we have been able to complete some important changes for the village.

First of all, however, we want to pay tribute to our former Chairman, Brian Lee, who sadly passed away earlier in the year. Brian had been on the PC for many years and was one of those people who did so much for his community behind the scenes. We will all miss his experience and wise advice.

Obviously, the dominant theme of 2020 has been the response to the pandemic and, like so many communities, the people in the village rallied; supporting those people who had to self-isolate and it was great to hear the Clap for the NHS every Thursday during the first lockdown. Villages and communities have really come together during this difficult time and it shows the strength of support and well-being that runs through village life.

Glentworth Parish Council has also invested some of the money from the precept on new initiatives through the village. Following a lot of complaints about the problems of speeding along Kexby Road, the PC has bought an electronic speed sign, installed in October. The sign, which can be moved to different locations, will hopefully encourage people to drive through this part of the village more carefully. We are also still trying to get the County Council to repair the road surface, damaged by the lorries travelling from Upton.

As well as the speed sign, the PC has recently arranged for a second defibrillator to be installed, to complement the one at the Village Hall. This second defib is in Hawthorne Close and we are grateful to the support from West Lindsey District Council for enabling us to do this. Of course, we hope that it's never needed but it is reassuring to know that it is there.

Following many complaints about vehicles using the Northlands Road track (in front of Glentworth Hall), a public footpath, the PC has erected new traffic signs and is currently working with the tracks owners to improve the surface to make the track easier to pass. Although on the face of it this is a minor problem, the damage done by the vehicles makes it harder for people on one side of the village to access the centre of Glentworth, so making sure there is a decent and safe to use surface is important.

In response to the ambition in our Neighbourhood Plan, the PC has also been talking to Quantum Fibre, a Lincolnshire-based internet provider that are looking to bring fibre broadband speeds to villages such as ours. Quantum gave a presentation at our September meeting, a video of which can be found on the Glentworth PC website, and it is well worth looking at their website (<https://quantumairfibre.com/>) to see what they have to offer. If we can generate enough interest, then the possibility of faster internet speeds could become a reality!

Looking ahead to 2021, we all hope that life will start to return to some form of normality, however slowly. For the PC, our priority will be to make some improvements to the play area at Glentworth Village Hall, working alongside the Village Hall Committee to come up with some plans and then find the money.

Throughout the year the Council has continued to meet, since March our meetings have been virtual – just one example of the adjustments we've all had to make to try and get on with life. As ever we are enormously grateful to our local District Councillor, Paul Howitt-Cowen for his continued support for all we do, as well as County Councillor Cleo Pereton-Williams. Residents of Glentworth who would like to know more about the work of the PC or attend a meeting should keep an eye on the notice board where the dates of all meetings are published, as well as the arrangements for logging on to our virtual meetings.

Finally, to all residents have a very Merry Christmas and a Happy New Year, in the hope that 2021 is a little more normal than this past year!

2019 Rosé Prosecco

Italian wine laws changed recently to permit pink versions of prosecco. This is one of the first to arrive here and provides aromatic but lively cherry and apple flavours with modest grapefruit acidity accompanied by a contrasting savoury background.

2020 Daniel's Drift Merlot

Netball News

In these fast changing times, by the time my last article was published in the November edition – it was already out of date and our girls are back in lockdown again - however...

Huge Congratulations to William Farr student, Marcy Talkes, who, after trials, has been offered a place in the Loughborough Lightning U15 Academy hub at Worksop college. Well done!!

The academy was due to start in November – so hopefully it will be able to get underway this season!

There is no Lightning academy hub to be located at William Farr this year.

Unfortunately, the Lincolnshire Netball Performance Academy trials had to be postponed due to lockdown

The Aspire Academy had already managed to kick off with some training for all groups except 'Little Stars'. The girls had an interesting programme of activities through-out half term with Zoom sessions - from educational talks on sport nutrition and psychology, inspiring and motivational talks from Super League players and also an England u17 Youth player as well as some Yoga and HIIT training. However planned matches had to be cancelled due to Nottinghamshire moving into Tier 3 restrictions. A 'lockdown' programme has now been released with more Zoom sessions and guidance for training at home

William Farr students , Alice Lawrence, Ella and Georgia Charles (from Scampton) along with Lola and Iris Hutchinson from Ingham had an opportunity to work with the Swiss U17 international head coach during half term as she put them through some drills and filmed them as part of a training video for the Swiss netball training programme.

With regard to a report earlier in the year about nominations for East Midlands Netball Golden Globes awards, the event (cancelled from 3rd May) took place virtually on 16th November.

The National round is due to also take place virtually on Thursday 10th December 2020 at 19:45

This can be watched on YouTube/England Netball. – log in and see if William Farr's P E teacher, Miss Ewing is successful in the Netball Teacher Award!!

Able Community Care is a Norfolk home care company which was established in 1980 and now provides care 24/7 throughout the UK and beyond.

We continually read news/articles flagging up the activities of Doorstep Criminals: fraudulent roofers, gardeners, service officials and other non-genuine visitors who target older people. Over the years we have also had first-hand evidence from our own clients and carers.

As a company we have decided to see if we can help prevent this on a small scale and so we have had the Door Safety Sticker (attached) to give away to older people. To date we have sent out 60,000 upon request, since February 2019.

If you think your older readers may like to have one, please ask them to either ring us on 01603 764567 or email to info@ablecommunitycare.com.

We will not keep their details other than to send out the door sticker to them.

Best wishes

Angela Gifford CEO.

From the PCC Secretary

During October we held our Annual Parochial Church Meeting which was delayed from April. All our church officers remain unchanged and a full list can be found elsewhere in this issue.

During "Lockdown 2" we have continued with our weekly online Zoom Eucharist and have also circulated a weekly Pastoral Letter and news to our online database. If you are not currently on our data base and wish to be included please forward your details to springlinepcc@btinternet.com. All details are securely stored under GDPR regulations.

We are delighted to report that our recent "Gift Day" appeal has raised more than £2,000 towards parish funds.

In this issue you will find full details of our services for both December and January unfortunately due to current restrictions we have been unable to plan our normal pattern of Carol Services however most of our churches have services on Christmas Day which we hope you will attend.

As 2020 draws to a close it will certainly be a year to remember and I hope that your Christmas will provide an opportunity to relax and enjoy the company of family and friends which has been lacking during the year

May I wish you all a very Happy Christmas and hope that 2021 brings us all a renewed hope for the future.

Kind Regards

Ditloids

A "ditloid" is a type of word puzzle in which a book or film title, quote or well known saying must be deduced from a set of numbers and letters in a clue. Normally short words such as "in", "an", "the" etc. are not abbreviated.

An example might be :

A Short Story

Even coming up to Christmas time, I wasn't expecting a parcel. But there it was, on the doorstep.

Well wrapped in plastic and about the size of two swiss rolls side-by-side. Name and address correct but not a sender's address.

Written in a carefree style on the label: 'To be opened upon Christmas Day'.

'Unlikely to be a bomb', I thought. A very silly thought; but I confess that I thought it. The package felt a bit squidgy - could possibly be a new jumper? Never mind, put it aside for now.

This Christmas Day was to be a solo event. Just me on my tod. A peaceful day, a day when nothing too demanding happens. We don't get many of those...

So, come Christmas Day morning, there it was, all unwrapped and all laid out on the table - all two-hundred pieces of it - a Jig-Saw Puzzle!

Written on the enclosed Victoria and Albert Museum postcard - in the same hand as that on the address label, the cryptic note, '200 pieces and yes, IT IS COMPLETE!' and then, added below that, the phrase, 'It's behind you!'

This tasteful card was surely a clue, Yes?

Short answer, No.

The puzzle had arrived, not in a nice cardboard box with a picture on it, you understand, but all jumbled up loose in a Co-Op wholemeal loaf wrapper (sliced wholemeal). Full marks for observing the re-cycling bit, kind Sender.

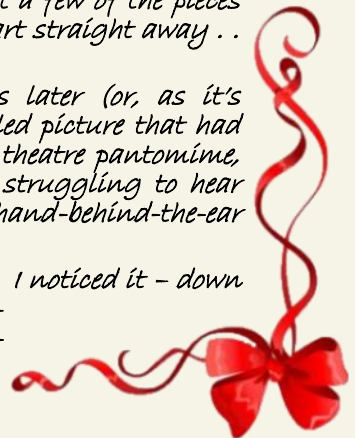

'Well, here's a challenge for my solo Christmas', I thought. Complete this well-worn puzzle (source; charity shop?) before the New Year. What else would I be doing on this Christmas Day?

Before making my first batch of coffee, I teased out a few of the pieces that had straight edges... may as well make a start straight away... It wasn't all that difficult to do, as it turned out.

Two pots of coffee and three chocolate croissants later (or, as it's Christmas, Pain Au Chocolate), the fine and detailed picture that had emerged (yes, 'complete') was that of a scene in a theatre pantomime, where one of the main characters was apparently struggling to hear what the audience was shouting out at her (hand-behind-the-ear gesture).

A really engaging picture, it was... and THEN I noticed it - down near the bottom of the picture - a little 'speech bubble'; added to the picture - and evidently hand-drawn in ballpoint.

'It's behind you!'

Why would anyone spoil a very nice picture by writing on it?

I was still chewing the penultimate piece of croissant and I think that that was the moment when the penny dropped.

While assembling the puzzle, I'd noticed ballpoint pen marks on the reverse side of a lot of the pieces. Could there be a clue written on the reverse side of the puzzle?

With the puzzle sandwiched between two sheets of plywood, (it always pays to keep such items handy) I very carefully, flipped it over and ... there it was ... of course!

A MAP! (You guessed right)

The map's author? No idea. Honestly, not - a - clue.

Clearly the Sender intended me to be intrigued? Of course I was intrigued - well, wouldn't you have been?

I was reminded of that map in *Treasure Island* by R L Stevenson. (A story always worth re-reading, in my view.)

In *Treasure Island* there was a nearby inn named the Admiral Benbow. In our story we have the Dambusters Inn ('Shuts Christmas Day at 3:00p.m.')

A comforting fact, even if not the least bit relevant to this baffling tale. Of course, you will have already guessed the outcome. Off I trudge for nearly a mile into the late Christmas afternoon gloom to dig for treasure. We all do that after a festive lunch, surely?

Now, although not expertly drawn, the map was accurate and the 'X' (yes, of course, there had to be an 'X') identified a decaying Horse Chestnut tree in the middle of a very large field - I knew the field very well - walked it many times whilst exercising a neighbour's dog.

So, here we are at the tree. No-one else about. Good visibility all round, even in the fading daylight - apparently, I am unobserved ... apparently.

VERY TIMIDLY INDEED - it has to be said - my left hand (gloved) explored the rotted cavity in the trunk. Yes, of course I felt 24-carat stupid - wouldn't you?

Sure enough, my (gloved) left hand withdrew a waterproof and unmarked package containing twenty, crisp twenty-pound notes.

Apparently, I remained unobserved.

I was dumbfounded.

So many questions remained unanswered - not an average Christmas Day.

I have never discovered the identity of the very generous Sender of the intriguing package that came through the post just a few days before that Christmas.

It has always been a puzzle to me.

NOTES FROM FILLINGHAM PARISH MEETING**Monday, 2nd November 2020****Meeting held on-line to comply with covid-19 restrictions**

In Attendance: Margaret O'Grady (Chair), Peter O'Grady (Vice-chair), Glenn Cargill (RFO), Vicky Cargill (ARFO), Dawn Greetham (clerk) and two parishioners.

Apologies for absence: PCSO Julie McFaul. Zoe Rampley, Judith Russell

Notices of Interest: None

Minutes of the last meeting (5th October): The minutes were approved unanimously and signed.

Matters arising from the minutes not covered elsewhere in the meeting:

Village hall windows: Planning consent has been granted for the replacement of the hall windows, kitchen door and window and noticeboard. A quote from Eastfields to replace the kitchen door and window will be requested. This was proposed by Margaret and agreed unanimously. A contract and quality assurance plan for the works are in progress, to be completed this week.

Reports:

Police: There have been six incidents. However, only three are of public interest:

16/10/20 Hare coursing on the B1398, Middle Street, Fillingham. 6/10/20 White van seen driving slowly, police attended. 26/10/20 A male attended two addresses on the High Street in Fillingham claiming to be an employee from Anglian Water. The male was wearing a tabard with a water drop motif. Police have asked for any further information.

Finance: A Zoom account has now been purchased at a cost of £78.40. Grass cutting invoice pad to the sum of £180 and a new defibrillator pad purchased for £82.80. It was proposed by Glenn and seconded by Ray that the precept for the year 2020/21 will be submitted for £4,783.00 in line with the 3-year plan.

Village Hall: The hall remains closed due to COVID-19 restrictions. New tables and chairs, a fridge and microwave have been donated and thanks were expressed. The security light at the back of the hall is faulty. Margaret will contact an electrician.

Playground: Regular checks are carried out and a small amount of rubbish has been removed.

Update on legal/land registry/charity status: These are ongoing.

Correspondence: Invoices received as covered in the finance report.

Parish/District/county matters: The broken light on the High Street (reference 4152740) has been fixed, however, this has been questioned as the light is only taped up. Highways have attended to look at the footpath on the High Street to B1398 (reference 101000386575) and this remains ongoing. Planning application 141536 High Street has been granted for renovation and extension. The residents responsible for the overgrown hedge have been contacted. The new website is in the process of being built and thanks were expressed to Vicky and Peter as well as the volunteer who is developing the site, for their hard work. There will be meeting of the new trustees on 3rd November for the Parish Trust. There is a very good level of interest for the introduction of fibre broadband to the village and there will be a further meeting on 4th November to discuss further. It was proposed that the village Christmas tree be requested for 5th December but there will be no Christmas tree lighting event. However, it was suggested that the top of the tree be decorated as usual, but the bottom be left for children and any others who would like to make their own decorations and add them to the tree. There was a discussion about ideas for Christmas, including the possibility of villagers being encouraged to decorate windows to create a Christmas-themed walk around the village, and possibly also a competition.

Any other business: None

Date of next meeting: Monday, 7th December.

Impossible really to choose just 10 songs, on another day I would probably give a completely different selection but these came to mind today.

1. **Rock and Roll** by Led Zeppelin, one of my favourite songs - many believe was the best ever rock band.
2. **I Heard it Through the Grapevine** by Marvin Gaye, just a great song by a man who died far too young. You may remember it featuring in the Levi's ad.
3. **The Theme from Shaft** by Isaac Hayes, just because it's so cool.
4. **Pappa was a Rollin' Stone** by the Temptations for the same reason.
5. **Whole Lot of Rosie** by AC/DC my favourite song by another great rock band.
6. **Stop** by Sam Brown. Powerfully sung by the daughter of Joe Brown the old Rock and Roller.
7. **Sympathy** by Rare Bird, an old song from 1969 that you may not remember but the lyrics say it all. You can find it on Youtube.
8. **I Just don't Know What to do With Myself** by Dusty Springfield, One of several possibilities from Dusty but I had to choose one.
9. **Alone Again Or** by The Damned, a short but exquisite song originally by a band called Love but for me the Damned version just edges it
10. **Will You** by Hazel O'connor, a great little song from the film Breaking Glass with a fantastic saxophone solo, never seen the film.

Choosing a **book** is just as difficult but one I really enjoyed was Sharpes Waterloo by Bernard Cornwell. I read this book several years ago and learned a lot about the battle from this tale of his fictional character wound around factual events.

And for a **luxury Item**, a radio to keep me connected with the world.

Venture Island Discs is open to everyone.

LETTER FROM THE PARISH PRIEST***Happy Christmas! Happy New Year!***

Dear Friends,

As I write, it's just about a week since we began the second national lockdown. And we are closing in on 2020, a year that we will never ever forget!

Remembrance Sunday came and went within the restrictions of the lockdown. We had memorable services, albeit short, at Burton, Ingham and Scampton. We will 'remember' and forever be grateful to our brothers and sisters who sacrificed their lives for us to live in peace.

The US presidential elections had all of us glued to the TV and, I don't know about you, but I did heave a huge sigh of relief when the American networks called the elections for Joe Biden and Kamala Harris. As the President elect says, the nation needs healing of hearts! Not an easy task at the best of times! We wish the President elect and the USA all the best.

The news of a vaccine for covid-19 is the type of good news we had been waiting for since the coronavirus struck our world. The Pfizer Pharmaceutical company assures us the vaccine is 90% effective to defeat virus! We deeply grieve for our brothers and sisters all over the world, over a million, who have succumbed to this terrible virus but there is now hope in the horizon in the New Year!

Well, we will recall 2020 Covid-19 for years and pass on the story to generations to come! 2020 was also a year when nations and communities, towns and villages, came together to care for each other and keep each other safe. We now cherish again the precious gift of life and the fragility of it. In spite of the devastation Covid-19 has brought us, we shall rise from the ashes like a Sphinx as we did at the other tragedies of history! And we will continue to reach out and care for each other even post Covid-19!

The new year 2021 dawns on us with new hopes! May your dreams be fulfilled! It is never too late! Remember, President elect Joe Biden is on course to becoming the President at the age of 78! May God bless your hopes and dreams and guide you in the New Year

Finally, Christmas is here. No carol singing but Christmas just the same! Hopefully the lockdown will cease, and we can re-enter churches to celebrate 'the greatest story ever told' at our church services. Do join us if you can. **"For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life!"** Jesus is the real gift of Christmas! It's up to us to accept this incredible gift this Christmas and experience the surprises he has for us in 2021 and for our lives! The Church exists for you in your spiritual quest – to share the story of God's love and help you meet Jesus!

Happy Christmas and Happy New Year to you, your families and your dear ones!

Your friend, *Father Sebastian*

(Revd Dr Sebastian Mattapally, Rector, Springline Parish Diocese of Lincoln)

News from the Villages

Burton

The Parish Council meeting scheduled for 11th November was cancelled due to the covid restrictions. The next meeting is scheduled for 12th Jan 2021 at 7pm in Burton Estate Club. The work to install a toilet and server in St Vincent's Church has gone out to tender and an appeal has been launched to help bridge the gap between the current reserves and the overall cost of the project

Happy belated Birthday to Rita with love Colin x

Many thanks to those who show continued support for St Luke's. It's easy to place a donation and tribute/comment in the Village Venture, just contact

Brattleby

The church is currently closed, the new plasterwork has dried out well but some of the walls have to be sanded down before the redecoration work can commence. Many thanks to "The Friends of St Cuthbert's " for all their fund raising efforts for this work and we look forward to celebrating their efforts in 2021

Way back in May when we were first told to wear masks, I made some to sell. With many thanks to a huge amount of you, including Ingham Stores who have had a box with them in on their counter, I raised £260 for the local charities of All Saints Church and Little Acorns. Now they are now available in every shop you go in (when you can go in them!)

But I've had a request from members of my family for Christmas masks, so how much of a demand might there be for them locally? They would again be available in the shop or by contacting me. They are still £5 each, but this time, once I've taken my cost of fabric, I will be donating to Children in Need and the British Legion who have not been able to have their usual Poppy sellers out and about.

SCAMPTON PARISH COUNCIL

At the meeting of the Parish Council held via Zoom on 05.11.20 the following matters were discussed:

PCSO Julie McFaul reported the following incidents "08/10/20 – RTC on Northumberland Avenue involving 2 vehicles (minor). 29/10/20 – a white Ford Transit van was stolen without the keys from the High Street in Scampton."

Open session Steve Ulyat reported he had resumed the painting of the street lights but the weather was holding him back. All the repairs had been done, so they were safe. The new batteries for the speed sign indicators had been purchased and he would replace the posts on the village sign, in due course.

Christmas lights and village celebration. Due to the current position it wouldn't be possible to hold the Lighting up Ceremony this year. Steve Ulyat said he would go and look at the lights and turn them on at the end of November/start of December. He was thanked for doing this.

Poppy wreath for Remembrance Day Cllr. Patterson would lay the wreath behalf of the residents of Scampton.

Litter bins - the position of the litter bins - needed at RAF Scampton had been identified and the Clerk would order them from WLDC.

Speed Awareness Cllr Sneath was progressing this project, which is being carried out in conjunction with Brattleby PC, and hoped that Lincs Road Safety Partnership would soon be able to carry out the training.

Sub Committee on RAF Assets- There was then a lengthy discussion about the RAF Assets and the closure of Scampton. It was felt that little was being achieved by going over the same points at the PC meetings. As a result of this the following points need further discussion and decisions to be made.

There is a Zoom meeting on 17.11.20 at 7.00pm when Openplan would present the recommendations for the closure of RAF Scampton. It is vital that the views of residents are heard before the Parish Council ratifies the proposals and they are sent to WLDC.

WLDC were keen to get information out to the residents and would fund a newsletter. It should contain information from all parties involved. What needs to be decided is who will take responsibility for producing it. WLDC will print it but would need people locally to deliver it.

It was proposed by Cllr. Bulteel that a Sub Committee be set up to look at all the issues surrounding the closure of RAF Scampton and the Assets involved. This was seconded by Cllr Rumble and agreed unanimously.

The name of the Committee would be decided and Cllr Bulteel said he was prepared to chair it, providing he had support from the Parish Council. Cllrs Sneath and Rumble expressed an interest in being part of the committee, as did Tony Somerville and Terry Rumble.

The Committee would report to the Parish Council each month for actions that need to be taken and ratification of decisions etc.

Janet also needed to know if there was any training needed.

The Parish Council was urged to consider whether, in the future we remain one Parish Council or split into two.

Community Awards The name of a nominee had been sent to Neighbour of the Year Award 2020. It would be left until Cllr Patterson was at a meeting before pursuing the matter further.

LALC Training – There was some confusion about the charges and Cllr Sneath would follow up on her initial enquiries.

Parish Council website – There was a question about whether we should pay for someone to populate the new PC website. The Clerk and Cllr. Taylor would work on the project and a final decision would be made at the next meeting.

Finance

It was noted that the following payments had been made:

Haven Power (September)	£75.45
Green Grass Contracting	£125.99

The Clerk had HMRC had also been paid.

The budget for the coming year was presented and due to the unknown expenses relating to the closure of RAF Scampton it was proposed by Cllr Bulteel, seconded by Cllr Rumble and agreed unanimously that the precept for the year 2021 -2022 be set at £8000.

Planning -

141806 26.10.20- The building of an Institute of Technology Building with workshop and classrooms at Bishop Burton College. No observations.

(Continued from Page 41)

Vacancies on the Parish Council

It was proposed by Cllr Sneath that Tony Summerville be co-opted as a Parish [Councillor](#) for Scampton. This was seconded by Cllr Bulteel and agreed unanimously. He was welcomed to the Parish Council.

The next meeting of the Parish Council will be on Thursday, 3rd December 2020 at 7.30pm in the BSA Hall, Aisthorpe. Subject to change due the prevailing Covid 19 restrictions.

Full Minutes can be found on the Parish Council Website after they been approved at the next Parish Council Meeting.
